PRICE LIST

To help us fill your order quickly and accurately—please order by complete catalog stock-number. Specify quantities by "each" or by "dozen"—please avoid the use of the term "pair".

GENERAL TERMS: All quotations and prices are subject to change without notice. Orders are accepted only at our Chicago, Illinois, offices, subject to delays from fires, strikes or other causes beyond our control and upon the condition that lowest consistent prices in effect at time of shipment are to apply. Cancellations and returned goods are accepted only upon our agreement and subject to such terms as we may consider applicable.

FREIGHT ALLOWANCE: All goods are sold F.O.B. our factory at Chicago, Ill.,—our responsibility ceases with delivery to the carrier in good order. **FULL FREIGHT WILL BE PREPAID AND ALLOWED, SUBJECT TO OUR ROUTING,** on single shipments, shipped to one destination at one time, if the shipment has a **NET INVOICE VALUE OF $1,550.00** or more. No freight allowance under any other conditions. Freight allowance is limited to destinations within the continental United States and Canada, excluding Alaska.

(D-U-N-S 00-515-1204)

ADDITIONS TO ORDERS: Order-entry programming prevents our making "additions" to orders. Such requests for addition will be entered and invoiced as separate orders.

EXTRA CHARGES: 10% will be added to the net invoice price for goods ordered in less than full package quantities; this charge will not be made if any one item on the order is in "Full Package Quantity." Unusual packing or cartage expenses will be charged extra at cost. Federal, State, or local taxes will be added where applicable.

TERMS OF PAYMENT: Thirty days net to those with approved commercial credit; terms to others by special arrangement. All accounts payable in U.S. funds at par in Chicago. Past due accounts subject to interest at 1% per month (12% per annum).
